PRIORS HALL DENTAL  
AESTHETICS AND FAMILY CARE

# Welcome to Priors Hall Dental

---

Life is better with healthy teeth, and everyone deserves a happy, confident smile. That's why finding a dental practice that understands your unique needs and can maintain and restore dental health at every age is essential.

At Priors Hall Dental, we understand that dental needs change over time and are unique to each person, we take the time to get to know you, your lifestyle, and your dental goals.

Our experienced team of dentists, specialists, surgeons and hygienists offers a comprehensive range of services, ensuring you receive the most personalised and professional care.

Whether you're a new patient or considering registering your family with us, you can trust in the highest quality of treatment and exceptional care standards.

Above all, we want you to be happy with your teeth and smile.

# Our Trusted Dental Practice

---

When you attend a new dental patient consultation, our friendly and dedicated staff will be there to welcome you.

During this initial appointment, one of our experienced dentists will talk to you about what you hope to achieve, whether it's a routine check-up, addressing a specific concern or exploring cosmetic treatment options. Your dentist will also conduct an initial examination, checking for issues like gum disease and cavities.

Based on the findings from your examination, we'll work with you to create a tailored treatment plan that outlines the most suitable procedures required to attain a healthy, radiant smile.

At the end of your initial consultation, your dentist will provide information and pricing, tailored to suit you. We take the time to listen, educate and involve you in the decision-making process, ensuring you have a clear understanding of the treatment options available to you before proceeding with any treatment plan.

Our team of experienced, caring dental professionals is committed to your overall health and well-being. We take pride in staying at the forefront of dental advancements, using innovative technologies and techniques to provide you with the most effective treatments available.

Your oral health is our priority, and we are committed to working with you to ensure you receive the care you need.

# Treatment options for all your dental needs

## General Dentistry - care for all

Our team of dentists and hygienists excel at providing general dental care to all ages, delivering a reassuring continuity of care to the highest of standards. We recommend regular visits to your dentist and hygienist to keep your teeth and gums in excellent condition and prevent problems developing. Any issues can be identified early, enabling prompt treatment. We focus on prevention and conservation of tooth.

## Orthodontics - teeth straightening

No one needs to tolerate misaligned, crooked or crowded teeth or an uneven smile. Advances in orthodontic treatment mean that children, teenagers and adults can benefit from clear aligner therapy. Our experts in clear aligners straightening have transformed hundreds of smiles including with the use of Invisalign removable aligners; treatment times vary, from 9 to 24 months. We offer a complimentary assessment to determine your suitability for orthodontic treatment. To find out more, [click here!](#)

## Smile Makeovers - get the smile you desire

We offer all aspects of cosmetic dentistry to improve your teeth and smile. Whether you would like Teeth Whitening, Composite Bonding, Porcelain Veneers or to change your old silver fillings to natural-looking white ones, we can help. We will start with a complimentary consultation to find out what you want to achieve, then use the latest, most advanced treatments to enhance your smile. To find out more, [click here!](#)

## Dental Implants - replacement teeth that last

Dental implants are an effective way to replace the root of a tooth. They are screws made from titanium and can be placed directly into your jawbone, providing a stable foundation for a crown. Dental implants work to restore your tooth both functionally and aesthetically. Our Implantologist is available for consultations to start your journey, if you're looking for a long-lasting way to replace missing teeth. Dental implants are one of the most durable options to restore the health of your smile and to improve your confidence. To find out more, [click here!](#)

# Treatment options for all your dental needs

## Root Canal Treatment - rescuing teeth

Root canal treatment (endodontics) is carried out on teeth where the nerve of the tooth has been damaged by decay or trauma. Our specialist in endodontics uses advanced techniques and equipment to preserve teeth that may otherwise need to be removed. Dentists refer their patients to us for root canal treatment because of our specialist care. To find out more, [click here!](#)

## Dentures - a natural looking alternative

We make dentures that look like your natural teeth and fit precisely. Our clinicians will advise the best option for you, from a range of designs and materials. We also offer denture stabilisation with dental implants to securely fix your replacement teeth in place. To find out more, [click here!](#)

## Gum Disease - saving your teeth

Periodontal (gum) disease is an infection of the gums that gradually destroys the support of your natural teeth. Some people are more susceptible than others, and may lose their teeth if the condition is not treated. Our hygienists will promote repair and healing of the gums and bone, and to help minimise the progression and recurrence of the disease. To find out more, [click here!](#)

# Our charter

At Priors Hall Dental, we uphold a strict ethical code, fostering relationships based on trust and goodwill. We ensure that you will be thoughtfully cared for and your expectations met.

## Expertise

Our aim is to ensure that you are thoroughly delighted with the quality of our clinical expertise and level of care and attention you receive from us.

## Trust

This is one of our fundamental principles. We believe that everyone we look after should be treated like family. Communication is key and so we are open, honest and completely transparent to nature trust.

## Comfort

We will do everything we can to put you at ease from the moment you enter our clinic. We keep everything clean, comfortable and welcoming. We are open about our policies and prices too, so your are never left guessing.

## Safety

We are meticulous in our cleaning, disinfection and sterilisation. We have been recognised for our excellent infection prevention and control.

## Choice & Consent

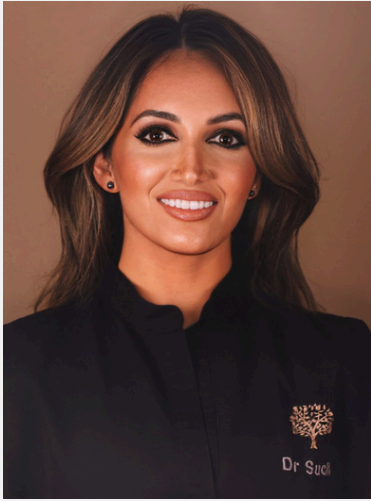

We always provide you with clear options and pros and cons with a written treatment plan, a copy of which we will keep safe for you. We guarantee that no treatment will commence without first providing the you with a clear estimate of the fees involved.

## Support

Our aim is to ensure that you feel part of our extended dental family. We aim to make your experience enjoyable and stress free. We will support you every step of the way.

# Smiles all round ★★★★★

Teeth Whitening & Composite Veneers

*"Amazing dentist. Was so nervous attending, but left smiling. They are absolutely brilliant"*

*"I have recently had composite bonding and am over the moon with the results. OUTSTANDING! I was so relaxed during this appointment I could have fell asleep! Can't recommend enough"*

Invisalign & Composite Bonding

Denture

*"My smile journey has been absolutely incredible. So worth it. Thank you so much to everyone for helping me along the way and making me feel comfortable and always being there when I had questions or needed some support. Can't wait to show off my new pearly whites to everyone!"*

# Smiles all round ★★★★★

*"Let me tell you about the amazing team at Priors Hall Dental! I needed a bit of a smile makeover for my upcoming wedding and hen do (think: year-long Invisalign journey, whitening, and some composite bonding), and they absolutely knocked it out of the park! Not only was the entire process smooth and professional, but they were also incredibly understanding of my timeline. They worked their magic to ensure everything was perfect by the big day – Dr. Suchi Vaidya even stayed late on my final appointment to make sure my smile sparkled (seriously, how great is that?). What truly impressed me was their dedication to personalised care. They never pushed unnecessary treatments and always explained everything clearly. Plus, the whole vibe at the practice is super friendly and relaxed – no judgment zones here! I finally feel confident about my smile, and that's a gift that will last a lifetime. Thank you, Priors Hall Dental! You've officially found a loyal patient for life!"*

Invisalign, Teeth Whitening & Composite Bonding

*"I can't recommend this dental practice highly enough! I used to have a fear of going to the dentist, but their kind and caring approach has completely changed that. They never judge and always make me feel at ease. I've had everything from checkups and fillings to Invisalign and composite bonding, and every experience has been exceptional. The entire staff is amazing, and the atmosphere is so calming and welcoming. Thanks to them, I actually enjoy going to the dentist now and my smile has never looked better!"*

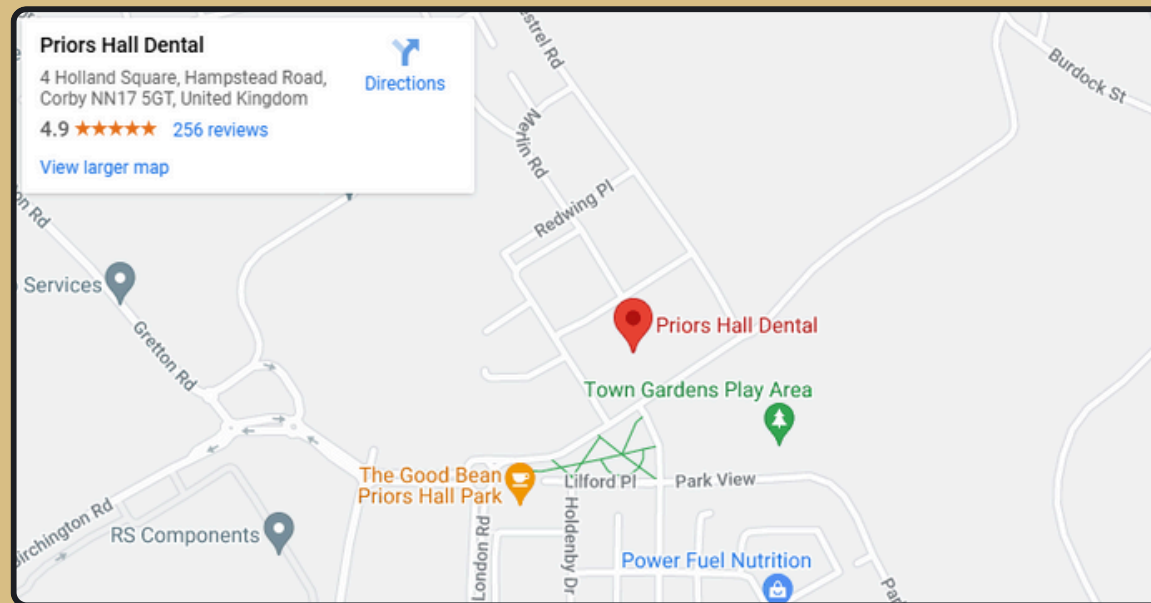

Amalgam to Composite filling

*"Such a pleasant group of staff, and so helpful, considerate of my time, and didn't oversell or push any treatment. Would highly recommend!"*

Porcelain Veneers

**By Car:** There is a large carpark outside the practice with electric car charging points available. The carpark is free, so parking will be no problem. We are located adjacent to the Sainsbury's in the retail area - you can't miss us.

**Train:** If you're coming from a bit farther away, Corby has a train station [COR], and you can take a taxi or a bus from the station to the dental practice. The station is a 7 minutes drive from the practice.

**Bus:** Several bus lines run through Corby and can get you close to our practice. <https://my.priorshallpark.co.uk/on-your-doorstep/transport/>

**Taxi:** Corby has multiple taxi services to choose from. The team at Priors Hall Dental usually use: Diamond Cars Corby - 01536 216363
